

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MONTANA
BILLINGS DIVISION

UNITED STATES OF AMERICA,

Plaintiff,

vs.

VERNON RAY HENSON,

Defendant.

CR 17-43-BLG-SPW-TJC

**FINDINGS AND
RECOMMENDATION OF
U.S. MAGISTRATE JUDGE**

The Defendant, by consent, appeared before me under Fed. R. Crim. P. 11 and entered a plea of guilty to the Indictment (Doc. 1), which charges the crime of being a felon in possession of a firearm, in violation of 18 U.S.C. § 922(g)(1).

After examining the Defendant under oath, the Court determined:

1. That the Defendant is fully competent and capable of entering an informed and voluntary plea to the criminal offense charged against him;
2. That the Defendant is aware of the nature of the charge against him and the consequences of pleading guilty to the charge;
3. That the Defendant fully understands his pertinent constitutional rights and the extent to which he is waiving those rights by pleading guilty to the criminal offense charged against him; and

4. That his plea of guilty to the criminal offense charged against him is knowingly and voluntarily entered, and is supported by independent factual grounds sufficient to prove each of the essential elements of the offense charged.

Defendant entered the guilty plea without a written plea agreement, and counsel represented that no more favorable plea agreement offers were made.

Therefore, I recommend that the Defendant be adjudged guilty of the charge in the Indictment and that sentence be imposed.

Objections to these Findings and Recommendation are waived unless filed and served within fourteen (14) days after the filing of the Findings and Recommendation. 28 U.S.C. § 636(b)(1)(B); Fed. R. Crim. P 59(b)(2).

DATED this 31st day of July, 2017.

TIMOTHY J. CAVAN
United States Magistrate Judge
